UPSWING/UJLENTIL/Operations

Airplane Reconnaissance of Drop Zones.

REFERENCE: Maps and Memo 900/I Nr. 68/58 VS v to 821, of 28 Jan 58,
handcarried your office 10 Feb 58.

ACTION REQUIRED: See paragraph 4

1. On 28 January 1958, UPSWING requested that an airplane be made available for a reconnaissance by observers @MUENZ and @WOERMANN, at some time during the period 28 January to 15 March, of the following areas:

a. North Sea Coast between HUSUM and MELDORF, particularly the KIDERSTAEDT Peninsula.

b. Area circled by UELZEN-BODENTEICH-WITTINGEN-HANKENSBUTTEL-CELLE-BERGEN-UELZEN.

2. Due to previous commitments on the part of both EAOD and the UPSWING observers, it was not possible to carry out the reconnaissance.

3. UPSWING now requests a meeting be arranged with @MUENZ and @WOERMANN in Wiesbaden on 26 or 28 April 1958, and that the missions be flown on the same date or as soon thereafter as practicable.

4. Request detailed directions for the proposed meeting in order that the UPSWING representatives may be informed.
